Updated Volume: None at the time of this update

Date: 7/17/2017 **Status:** Inspection

Author: Schmitt, Bryan

Notes:

Time: 12:30 PM CST, Temp: 88 F

Spill occurred on concrete within the Red Carpet Gas Station property. There was no visual sign of diesel or impacts to nearby vegetation. The spill was contained within the property curb and on concrete. Employee of Red Carpet Gas Station commented that a small portion of diesel may have migrated to a storm catch basin on the property. No visual sign of impact was seen around or within the storm catch basin.
